ALERT OF THE STREET OF THE PERSON.

TUESDAY.......MAY 29, 1877 One thing that has affected me in Turk is i history," said the Rev. Edward Beech er, "is that Turkey has been so destruc-tive to agriculture. The country between the Tigris and the Euphrates used to be perfect garden. Since the Turkish Government has obtained control of this, all this beauty and fertility has been completely destroyed. And so has it been with the whole of Asia Minor, until universal discourage—ment has seized upon the minds of the agricultural communities. No nation can advance in civilization while agriculture is trodden under foot. Never will that Holy Land which researce to the Christian so Land, which possesses to the Christian so much interest, again come back to its former state of beauty and loveliness while the Turkish Government is over it. We ought to pray that this uncivilizing Government should be swept away and Russia be successful."
